Long Valley
NJ 07853-3073

聯絡人/Contact:

Frank Lau (908)675-6559
Tommy Chin (973)723-1556

Hacklebarney State Park is a popular hiking destination year round with beautiful scenery. Through the middle of the park runs the Black River. The river is fed by two brooks, Trout and Rinehart. The Black River is flanked by massive boulders. These boulders create many beautiful waterfalls that can be seen as a person ventures down the trail. This hiking trip will take approximately 2 hours. OHKA will provide a bottle of water and snack for each participant.

For park details please visit Hacklebarney State Park's website:
<http://www.state.nj.us/dep/parksandforests/parks/hackle.html>

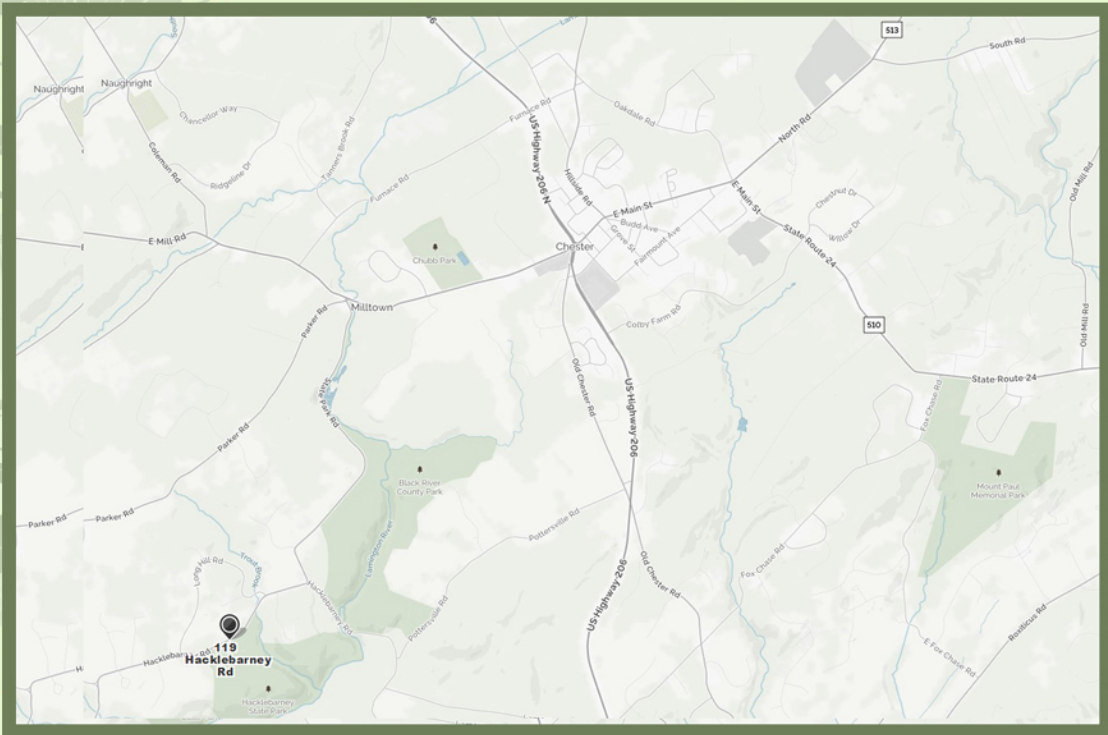

For event details, please visit OHKA's website: www.ohka.org
